nexBio Amazônia

Swiss-Brazilian Sustainable Innovation Program for the Bioeconomy

Corrigendum nº. 1

The Swissnex in Brazil, together with the Leading House for the Latin American Region at the Institute of Management in Latin America (University of St. Gallen), the Oswaldo Cruz Foundation (Fiocruz), and the Brazilian National Council of State Funding Agencies (Confap) announce this Corrigendum, referring to the items “**Eligibility of startups - Brazilian startups**” and “**Eligibility of researchers - Brazilian researchers**” of the nexBio Amazônia: Swiss-Brazilian Program for Sustainable Innovation for the Bioeconomy call for proposal:

➤ Where it reads:

Startup eligibility - Brazilian startups:

Please note that only researchers from states where the State Funding Agency – FAP – is a participant in the agreement to fund this program will be accepted. These are:

- State Funding Agency of Paraná – Fundação Araucária;
- State Funding Agency of Alagoas – FAPEAL;
- State Funding Agency of Amazonas – FAPEAM;
- State Funding Agency of Amapá - FAPEAP;
- State Funding Agency of São Paulo – FAPESP;
- State Funding Agency of Pará – FAPESPA; and,
- State Funding Agency of Paraíba – FAPESQ.

Each FAP has its own guidelines associated with this call. Interested parties are advised to consult their supporting FAP before preparing a proposal.
